MAP Spring Testing Schedule

Dear Families,

Soon your child will be taking the MAP reading and math tests. The questions on these tests are a review of the work that the students have been doing all year. To show how much students have grown, it is important that students try their best.

Testing is scheduled by grade level on the following days:

Reading

Tuesday, May 8	**4th, 5th, 6th, 7th, 8th**
Wednesday, May 9	**1st, 2nd, 3rd**
Thursday, May 10	**Kindergarten**

Math

Monday, May 14	**4th, 5th, 6th, 7th**
Tuesday, May 15	**Kindergarten, 1st, 2nd, 3rd**
Wednesday, May 16	**8th**

By working together, we can make your child's final test experience positive and successful. Here are suggestions of how to help children succeed. Students should:

- **Get plenty of sleep the night before the test.**
- **Eat a healthy breakfast the day of the test. This will give the brain energy it needs to do its very best.**
- **Come to school on time and with the tools needed. Do you need glasses or medication?**
- **Have a positive attitude. Remind yourself that you've worked hard this year and you are ready.**

Gently encourage your child to do the best work on test days. ☺

Thanks for your help!
St. Teresa Staff

Dear Parents and Students,

Friday, May 18th is Field Day!! PTG is providing hot dogs, hamburgers, condiments, and paper products for lunch. We are asking the students to bring food to share. Simply send the food item with your child that Friday morning. Your child should drop it off in the cafeteria. Someone will be there to receive the food and separate food for K-4 and 5-8.

So we do not have too much of the same food, we are asking each grade level to bring in certain items.

1st and 2nd and 6th - bottled water, gatorade, or juice boxes (Please do not send pop)

K and 8th - Snacks (avoid anything that has to be refrigerated or cooked/heated - good ideas are chips, pretzels, fruit roll ups, granola bars, party mixes)

4th and 7th - Fruit (anything easy to eat - avoid kiwi and mango since they have to be peeled and sliced - cut watermelon, bananas, strawberries, apples are all great ideas that the kids love)

3rd and 5th - Desserts (avoid anything that needs to be frozen - cupcakes, brownies and cookies are some great ideas)

Thank you so much for your help. I know it will be a great day for everyone!!

Sincerely,

Mrs. Beckman
