Dan Finley (who graduated from St. Teresa School Class of 1948) passed away in April of 2008. In his honor, his family has decided to give a \$500.00 scholarship to an 8th grade student who graduates from St. Teresa and will be attending Elder or Seton.

The Finley Family will determine which student receives the scholarship. On this paper are the criteria on how students will be chosen. Each applicant must submit an essay explaining why they are deserving of the scholarship. The types of information a student should include are:

- 1) Academic success (honors)
- 2) Athletic teams involved in
- 3) Any extra-curricular activities such as yearbook, server, chime choir
- 4) If any physical disability has been overcome

Please have your son or daughter write an essay (250 words or less) about why they feel they should be chosen as this year's scholarship winner. Deadline to submit this entry is May 3, 2012. Please send to the school office in an envelope marked Finley Scholarship. No late applications will be accepted. *The winner will be announced at graduation.*
