School News

- ❖ Next student work Drop-off/Pick-up is **Tuesday, October 20** from 2:45 – 3:30 in front of school.
- ❖ The seven parking spaces in the former B. J. Meyer parking lot (4841 Glenway, next to the church) are NOT to be used for parking at **any** time, **any** day of the week. There are new tenants and parking in their lot will result in your vehicle being towed at your expense. Thank you for respecting and welcoming our new neighbor.
- ❖ We are still having trouble with morning drop-off. Please be sure you are pulling up on the school side of the street to let your children out. They should be ready to exit the car when you pull up. Please then continue down the street. Please do not go around cars in front of you, just patiently wait your turn. We appreciate your cooperation!
- ❖ Today was the last day for shorts. Going forward on gym days, students may wear sweat pants or athletic pants for the day instead of shorts.

Quote of the Week...

"Christ has no body now, but yours. No hands, no feet on earth, but yours. Yours are the eyes through which Christ looks compassion into the world. Yours are the feet with which Christ walks to do good. Yours are the hands with which Christ blesses the world."

Saint Teresa of Avila

“I know the power obedience has of making things easy which seem impossible.”

- Saint Teresa of Avila

Hello Bruin Families!

I found this quote by St. Teresa of Avila is especially powerful since the pandemic has started.

Becoming more aware of my distance around fellow beings, how my mask-wearing protects others - not just myself. Yet, it has always been my due diligence to keep others safe and healthy - that is why I became a nurse, after all. It has been a humbling experience to discover mindfulness and the constant reminder to think of others.

We, as a community, need to apply this power of obedience, as our Saint states it, within ourselves to be mindful of our fellow human beings. We know it is God's way to care for others, even if it means sacrificing the instinct to stand near people we know and love, or putting something over our faces if it means to keep the person safe next to you.

I find we are doing an excellent job as our children and staff are adapting to this new norm, however there is always room for improvement. I pray this message reaches my students, staff and parents as a gentle touch to keep doing these prevention tasks in our best effort of health awareness. Let's continue to practice hand hygiene, send loving energy from a distance, and protect each other with mask-wearing. This is the kindest act we can give one another at this time.

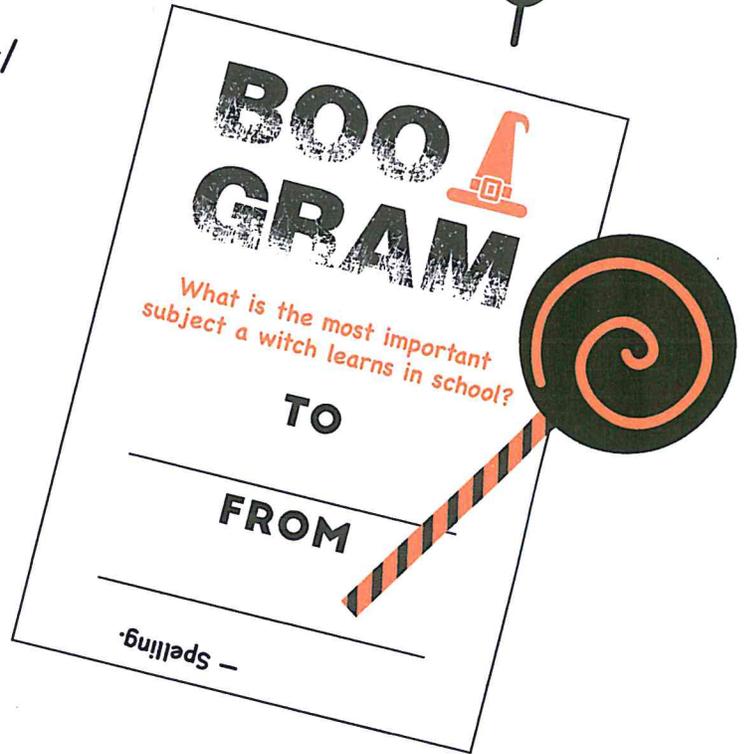

In health and wellness,

Kate Gross
School Nurse
