Picture Retake Day

Picture Retake Day will be **Tuesday, November 16th** for all students and staff who were not photographed on our first Picture Day. If your child was absent and needs to have their picture taken, you may get an **order form from the school office**. If your child already had their picture taken and you were unhappy with the results, you can have your child photographed again during the retakes. If you are having a retake done, please be sure to **return the entire first package** with your child on retake day. They will need to hand it to the photographer when they are photographed. Any student being photographed on retake day may come out of uniform.
