This year's wellness visit to the doctor should include their MCV-4/Td vaccinations. This is a requirement for entering 7th grade!

Please ask your pediatricians to print out their current immunizations during their visit and send them my way. These are due by August 30th.

In health,

Shriners Hospital Fund Raiser

Since we have a student who is a recipient of services from Shriners Hospital, we would like you to know about a fund raiser that helps them to help their patients. Shriners Hospital along with Rookwood Pottery are selling ornaments with ten percent of the proceeds going to Shriners. Profits help pay the medical expenses of the patients. Please see the attached flyer for more information. The ornaments can be purchased on line at Rookwood.com.
