Around Town

Shriners Hospital Fund Raiser

Since we have a student who is a recipient of services from Shriners Hospital, we would like you to know about a fund raiser that helps them to help their patients. Shriners Hospital along with Rookwood Pottery are selling ornaments with ten percent of the proceeds going to Shriners. Profits help pay the medical expenses of the patients. Please see the attached flyer for more information. The ornaments can be purchased on line at Rookwood.com.

From the Nurse

- Another reminder for 6th grade parents to send in MCV-4 and Td shot records.
- Also, we are stepping into spring with beautiful, rainy weather! Please prepare your students for oncoming allergies!
- A fever is not an allergy symptom
- Child needs to be fever free, without the use of Tylenol, before returning back to school.
- Please keep students home 24 hours for vomiting/diarrhea.
